Guarantee

All Galaproducts are guaranteed against manufacturing defects from the date of purchase, providing the installation has been carried out according to Gala's installation instructions. Rectified edges. Minimum joint of 1 mm recommended. Technological innovations which recreate striking optical effects from the relief of geometric motifs. No complaints will be accepted once the material has been applied.

Certificates

Quality has always been a constant for Gala in order to guarantee the technical and aesthetic features and the performance of our products. Please check the quality certificates of our products.
