Composición/Acabados del producto

As part of its continuous product development policy, Gala Tiles reserves the right to modify, at any time and without prior notice, any of the models and elements described on the website and in the catalog. Therefore, Gala Tiles does not guarantee their availability or that the specifications, colors, shapes, and other characteristics reproduced will always match the actual products. The environments shown are purely decorative, and possible technical installation requirements have not been considered in their composition. Gala Tiles may cancel any item in this catalog or on the website at any time. The colors shown are for reference only and may not accurately represent the final result due to variations in display and printing technologies. Total or partial reproduction of this content is prohibited without the express authorization of Gala Tiles.

Información de utilidad

Data product are guaranteed against any manufacturing defects from the date of purchase, provided that the installation has been carried out in accordance with Gala's recommended installation instructions. Please check the gauge, tone, and quality of the product before installation. Claims for material that has already been installed will not be accepted.
